## Aging Programs

### DESCRIPTION OF MAJOR SERVICES

The Aging Programs' predominate funding source is the Older American's Act, and is summarized as follows:

- Senior Supportive Services – Special programs for seniors 60 and over to provide links to services that will allow the aging population to remain in their homes, provide respite adult care, assisted transportation, legal services, home safety devices and case management services.
- Senior Nutrition Services – Meal program for seniors 60 and over to provide nourishing meals, nutrition and education counseling and companionship.
- Ombudsman Services – Independent, objective, and neutral persons who advocate for dignity, quality of life, and quality of care for residents age 60 and above in long-term care facilities. They are authorized by federal and state law to receive, investigate, and resolve complaints by or on behalf of residents in long-term care facilities, skilled nursing facilities, and Community-Care licensed board and care homes.
- Senior Training and Employment Program – provides part-time employment services for seniors age 55 and over. Seniors in the program receive on-the-job training in clerical work, basic computer skills, resume preparation, job location strategies, and other related topics.

Two primary programs that serve the elderly beyond those authorized by the Older Americans Act are:

- Multipurpose Senior Services Program – is designed to prevent or delay placement in a residential care facility and provides assistance to the elderly and their caregivers to enable the individual to remain safely in their home. Services may include homemaker chores, personal care, respite care, medical and non-medical equipment, transportation and minor home repair, as well as referrals to other community programs.
- Linkages - is a "gap-filler" that helps persons at risk of being institutionalized who are not receiving other case management services, such as those provided through the departments of Developmental Services, Mental Health and/or Rehabilitation.
